

Job Description

Junior Graphic Designer

Position: Junior Graphic Designer	Department: Design & Marketing	Reporting to: Senior Designer
Job level: Non-management	Contract: Permanent Salary: 18,000	Hours per week: 37.5

Job purpose: We are looking for a Junior Graphic Designer to join our small in-house Design team creating assets for multimedia projects for the Stadium MK group of companies; MK Dons Football Club; DoubleTree by Hilton; Marshall Arena; Marco Pierre White Steakhouse Bar & Grill; MK Dons Sport & Education Trust and MKFM. In joining the Design team you'll be included in the entire process from concept to final product according to specifications, creating graphics and other assets, and reporting to the senior designer and working closely with the Marketing team.

Job Description

Main Objectives

- Studying design briefs and determine requirements
- Working with the Marketing team and senior Designer to produce the final artwork
- Amend designs after feedback
- Work with cross-functional teams to take ideas from concept to execution, working very closely with the Marketing team and Senior Designer
- Producing high quality content for all channels
- Ensure all brand guidelines are met for all business groups
- Work from briefs to create assets for multimedia projects, including websites, digital advertising, emails, social media and print
- Manage and post engaging content on our Stadium MKs social media channels, aiming to drive revenue and brand awareness

Date created:

Requirements

- A strong portfolio, including illustrations, digital and print graphics
- A keen eye for aesthetics and details
- Your portfolio should also show evidence of working within a brief, along with strong Graphic Design fundamentals
- Design materials true to Brand identity and style guidelines
- Working in Adobe software applications to produce graphics and videos (such as InDesign, Illustrator, Premier Pro, Photoshop)
- Delivering design for a multi-channel experience, adept at creating integrated concepts across a variety of channels, including digital, experiential and print
- Actively seeking 'outside' inspiration to influence creativity and remain up-to-date with new ideas, techniques and styles
- Meet with team members throughout the business to discuss the business objectives and requirements of the job
- Thinking creatively to produce new ideas and concepts
- Prepare rough drafts and present ideas to team members and owning the end-to-end design across multiple features and projects
- Skills of working on video editing using software such as After Effects and Premiere Pro
- Proofreading to produce accurate, high quality work
- Excellent communication skills
